AUTUMN WINTER 2023

Happy memories of times gone by are with us in our hearts. They strengthen us in a time when the world gives us the feeling that we must continuously adapt to a changing everyday life. By recalling a time when life seemed easier, more beautiful, and more relaxing, we use the past to modernize the present, focus on the best of previous generations, and turn it into happy changes for our homes.

We are delighted to bring the best of the past into the present – and to share happy changes wherever possible. Welcome Autumn/Winter 2023.

A NORDIC TRIBUTE TO THE PAST

NORDIC LIVING is a tribute to iconic and memorable decades of design, mixing sophisticated materials and sculptural forms in a refined expression. Graphic lines and contrasts are prominent in the decor, just as selected favorites are allowed to stand out adding character to the room. We find peace in the shapes and materials we know – they remind us of something safe from a distant time.

PRACTICAL AND DECORATIVE FAVORITES

In our homes, which tend to appear more open and minimalist, balance is created with baskets, soft textiles, and green plants. Baskets fulfill the need for storage and braided baskets in different sizes and shapes add so much atmosphere to the Nordic home.

Selected favorites can fulfill needs for practicality and aesthetics at the same time.

SLOW DOWN

Time to slow down, relax, and rediscover the calm of the past. We are embraced by a feeling that time is standing still, and everything is on hold for a moment.

CONTRASTS IN SURFACES AND SHAPES

WITH A TOUCH OF RETRO

Shapes and details are essential for setting the tone in the home. Simple graphic patterns add discreet retro vibes, and as a showdown against the digital age, the decor is bringing us together in safe surroundings. Being present with our loved ones is our strength.

Create personality in the kitchen by adding styles with unique and beautiful details.

Patterns and colors make the detail when it comes to the perfect retro vibe.

COZY LIVING EMBRACES FREEDOM AND HAPPINESS

COZY LIVING is influenced by a fascination of earlier generation's ability to live with so much focus on being free and happy. We want to create that exact feeling in our homes – we want to be happy and free again. Colors, patterns, and shapes go hand in hand with togetherness, coziness, and presence when we strive for touches of the past in today's decor.

A UNIQUE HANDMADE FEELING

A renewed appreciation of the value of unique and personal designs is important to us. Everywhere in the home we surround ourselves with items, preferably with a handmade vibe, that remind us of what we remember from the homes of beloved relatives.

Ceramics have so many cozy and creative expressions ... Go ahead – mix them up!

Elegant brass candlesticks are an all-time favorite.

Add votives anywhere in the decor for a cozy atmosphere.

SO DISCREET, YET SO IMPORTANT

Furniture must be chosen carefully, as it will often be part of the home for many years. Mix colors, textiles, and shapes, use old with new, or choose new furniture with retro or classic vibes to achieve that perfect cozy feeling. A piece of furniture can be so discreet in its expression, but at the same time so decisive and important in use.

COZY CUSHIONS

Autumn's earthy colors are dominant on throws and cushions. The warm colors make it easier to bring coziness into the interior and in combination with dark wood and raw, unglazed materials, an authentic homely feeling flourish.

Cushions are an important detail – this is where we dare to experiment with colors and patterns.

A CREATIVE BLAST FROM THE PAST

More is more on kitchen plates and bowls. We can't get enough of the colors, graphics, and patterns, inviting us on a trip down memory lane.

Hand-painted ceramics are a beloved detail in the cozy kitchen.

STONEWARE – AN ETERNAL FAVORITE

Happy times are expressed in colorful and unique stoneware, such as tableware, trays, and vases. Beautiful pieces for the home and most likely popular for generations to come.

COZY VIBES IN THE KITCHEN

The cozy kitchen provides space for all favorites; the hand-painted cup, the heirloom, souvenirs from a memorable trip, whimsical finds, and colorful textiles. The mix of materials makes room for well-being and happiness.

KNOW YOUR FABRICS

Choosing the right upholstery fabric is important to evoke a cozy and comfortable atmosphere at home. Bloomingville offers an impressive furniture assortment, upholstered in high-quality fabrics with a firm focus on both price and functionality. Each fabric has been carefully selected, ensuring a wide selection of furniture that lasts.

Using accurate measures is equally important to assess the quality of fabric. Martindale, pilling, and lightfastness indicate a fabric's durability, emission of lint, and resistance to fading.

For general domestic use, 15,000 to 25,000 **Martindale** are recommended, whereas commercial spaces like hotels require a durability of more than 50,000 Martindale.

Pilling is classified by a scale from 1 to 5, where 5 rates as the best result after having exposed the fabric to a certain amount of wear.

Lightfastness is measured on a scale from 1 to 8 – 8 shows no fading of the fabric.

Fabrics with personality

For low maintenance and highly resilient upholstery fabric, we recommend furniture in **flat- or plain weave polyester** with a durability of up to 100,000 Martindale.

Soft to the touch and highly suitable for upholstery, **chenille** is destined to impress with its plush and stylish appearance.

Boucle is a classy heavy-weight fabric that gives texture to a room with its curly uneven surface.
